

WILDLIFE AND COUNTRYSIDE ACT 1981

The Definitive Map and Statement of Public Rights of Way in Hertfordshire

Hertfordshire County Council (North Mymms 92 and North Mymms 93) Modification Order 2026

This Order is made by Hertfordshire County Council under Section 53(2)(b) of the Wildlife and Countryside Act 1981 ("the Act") because it appears to that authority that the Definitive Map and Statement of Public Rights of Way in Hertfordshire require modification in consequence of the occurrence of events specified in Section 53(3)(c)(i), (ii) and (iii) of the Act, namely:

(c) the discovery by the authority of evidence which (when considered with all other relevant evidence available to them) shows:

- (i) that a right of way which is not shown in the map and statement subsists or is reasonably alleged to subsist over land in the area to which the map relates, being a right of way such that the land over which the right subsists is a public path, a restricted byway or, subject to section 54A, a byway open to all traffic;
- (ii) that a highway shown in the map and statement as a highway of a particular description ought to be there shown as a highway of a different description;
- (iii) that there is no public right of way over land shown in the map and statement as a highway of any description, or any other particulars contained in the map and statement require modification.

The authority has consulted with every local authority whose area includes the land to which the Order relates.

Hertfordshire County Council hereby order that:

1. For the purposes of this Order the relevant date is 24th March 2026.
2. The Definitive Map and Statement of Public Rights of Way in Hertfordshire shall be modified as described in Part 1 and Part II of the Schedule and shown on the plan forming part of this Order ("the Order Plan").
