Dear Resident/Occupier,

Parking surveys and consultation feedback collected since May 2025 have now been reviewed. Following this assessment, the Council intends to formally advertise the following proposed changes to the parking restrictions.

The following restrictions are being proposed:

Double Yellow Lines

The introduction of double yellow lines on junctions and in roads where access issues were highlighted.

Single Yellow Lines

The introduction of a single yellow line adjacent to Moneyhole Park in Sylvan Way, operating on Saturdays between 8am and 1pm.

Verge and Footway Prohibition Order (VFPO)

The introduction of Verge and Footway Prohibition to prohibit vehicles from parking on public footways, grass verges and vehicle crossovers located within the public highway land.

The proposals are being advertised on Wednesday 21 October 2026. Details of the proposals, including plans showing the affected areas, are being published on the Council's website at:

www.welhat.gov.uk/parking-consultations/

Please note that the changes outlined in this letter are currently proposals only. A final decision on whether any amendments to the parking restrictions should be implemented will be made once the consultation has concluded and all representations and feedback received have been fully considered.

Any comments/objections to the proposed parking restrictions need to be submitted as per instructions on the public notice. Objections must be made in writing and sent to Matt Wilson, Council Offices, The Campus, Welwyn Garden City, Herts AL8 6AE, or by email to parkingservices@welhat.gov.uk by Thursday 12 November 2026, so they can be considered by Parking Services officers and Cabinet Planning and Parking Panel (CPPP).
