Start of Parking Restrictions

THE BOROUGH OF WELWYN HATFIELD (VARIOUS ROADS,
VARIOUS ROADS, HIGH DELLS, HATFIELD) (RESTRICTION OF
WAITING AND PERMIT PARKING ZONES) ORDER 2022

THE BOROUGH OF WELWYN HATFIELD (VARIOUS ROADS, HIGH
DELLS, HATFIELD) (PROHIBITION OF STOPPING AND WAITING
ON VERGE OR FOOTWAY) ORDER 2022

This letter is to update you on the parking consultation and upcoming parking restrictions in your area.

The Cabinet Planning and Parking Panel (CPPP) met on 18 August 2022 and made a recommendation to proceed with the proposed restrictions albeit with amended hours of operation in light of objections received. All objections and comments were recorded and duly considered along with the Parking Services report. Further details regarding the meeting including the report presented and objection responses can be found at: democracy.welhat.gov.uk/ieListDocuments.aspx?CId=266&MId=1499&Ver=4

We faced some initial delays to implement the restrictions due to requiring to tender the signage manufacture and installation as well as a newly identified structural requirement by County Council relating to placing signage on lamp-posts.

The Traffic Regulation Orders have now been created and sealed to introduce one resident permit zone (B26), double yellow lines in the various roads within the High Dells area as well as the Verge and Footway Prohibition Order.

The notice of making of Orders will be advertised in the Welwyn Hatfield Times on Wednesday 10th May 2023. The restrictions will come into effect on Monday 19th June 2023.

Signage and lining installation works will take place soon dependant on weather conditions. Some posts have recently been installed on highway land in preparation of placing the signage.

Please note, there will be a warning notice period of two weeks for vehicles parking in contravention of the resident parking restrictions, however, the warning period does not extend to the double yellow lines or verge and footway parking.

Permit zone is as follows,

Zone B26 Mon to Sun 9am to 5pm

Chantry Lane, College Lane, Hilbury, Tomsfield, Vigors Croft, Bishops Rise, Chennels, Fern Dells, High Dells, Holly, Close, Indells, Roe Hill Close

Please note, residents in roads outside of this list e.g. Bishops Close and Roe Green Close will not be eligible to purchase resident permits or visitor vouchers as per the published eligible address list as they fall outside of the boundary of the permit zone and opted not to be included in the scheme.

Double yellow lines and verge and footway prohibition will apply 24 hours a day 7 days a week.

Maps showing the extent of the new resident permit schemes and verge/footway prohibition Orders will be available to view online at: www.welhat.gov.uk/parking-consultations

Permit Applications

The application process for permits will be open on 1st June 2023, please ensure you choose the start date on or after 19th June 2023 to ensure you do not lose time on your parking permit. To apply for a digital resident parking permit or paperless visitor vouchers please visit welhat.nsl-apply.co.uk

You will need to create an account linked to an email address you can access for future permit renewal reminders, multiple applications for the same family household can be made through one account. HMO households we recommend each permit holder creates their own account to manage their permit. You will be asked to upload the correct proofs either as a scan or a digital photograph and upload onto the account. To get started, once you have logged into the permit account, you do not need to click any other details on the screen apart from clicking on “Apply for a permit”, where the whole process will be covered from uploading proofs, registering vehicle details and the permit cost applicable.
