Action Plan 2023 - 2024

Action Plan:

The plan is working towards tackling the four Community Safety Partnership priorities and has regard to relevant county wide strategies, our local strategic assessment and the Police and Crime Commissioner's plan.

This is a 'live' document and all actions will be updated by the Joint Agency Group (JAG) on a regular basis. The Responsible Authorities Group (RAG) will receive updates on progress against the action plan and review the plan strategically to tackle any blockers in delivery.

The priorities and objectives within this plan will be reviewed annually in March each year.
