

Area Three – French Horn Lane area

Parking issues reported include:

- Parking close to corners/junctions, impacting on visibility for all users including pedestrians
- Parking too close or opposite driveways which impacts visibility for residents
- Non-residents taking up all available space, making it difficult for residents to park close to their homes
- School drop off and pick up times cause short term congestion and inconsiderate parking
- Displacement since the new restrictions have been introduced in the Town Centre car parks
