**THE BOROUGH OF WELWYN HATFIELD (VARIOUS ROADS, HATFIELD)
(RESTRICTION OF WAITING AND PERMIT PARKING ZONE) ORDER 2017**

Dear Resident,

This letter is to notify you that the formal consultation period for the above scheme is now complete. The Traffic Regulation Order has been sealed and will be advertised in the Welwyn Hatfield Times on 17th May 2017 and notices erected locally. The Order will come into effect on 3rd July 2017. This date will allow for necessary changes to the road markings, street signage; and also give sufficient time for residents to apply for permits and/or visitor vouchers. Information on the scheme together with permit/voucher application packs will be sent out separately nearer the time.

The Council will review the operation of the resident permit parking scheme and junction protection 6 months after implementation. It is at this point that any amendments may be considered. It is worth noting that during the course of this consultation, a rise in the number of complaints concerning footway and verge parking across the district has become apparent in the last few months. Should this problem worsen then it will be addressed at the same time of the review.

Full details of the Lemsford Road Area consultation can be found on the Council website.
