Dear Sir/Madam,

Notification of New Resident Permit Scheme B 12 and Double Yellow Lines Great North Road, Hatfield

This letter is to notify businesses that the formal consultation period for the above scheme is now complete. No formal objections were received to proposals to implement a resident parking permit scheme, and double yellow lines in Great North Road. Parking Services however received 21 template letters with no contact details left upon them, or clearly stating that it was indeed an objection to the plans which therefore could not be taken into consideration as a formal objection to the scheme.

As it is a resident permit scheme, businesses are not eligible to purchase permits or vouchers to park in the resident permit holders only bays.

Parking Services are continuing works within the Birchwood area, including investigating to create a parking provision which is time limited to assist local workers in the section of Oldings Corner close to the playing fields. When the proposals are advertised for that road we will again write to businesses in the area to notify.

The legal document relating to the parking proposals has now been made. The public notice will be published in the Welwyn Hatfield Times on Wednesday 1st August 2018. Notice boards will also be erected in lengths of roads affected. The new scheme will start on Monday 10th September 2018. The installation of related signage and double yellow lines will take place during August and September.
