STATEMENT OF REASONS FOR PROPOSING

**THE BOROUGH OF WELWYN HATFIELD (CONTROL OF PARKING)
(CONSOLIDATION) ORDER 2017 (AMENDMENT) ORDER 2018**

Welwyn Hatfield Borough Council is proposing to amend The Borough of Welwyn Hatfield (Control of Parking) (Consolidation) Order 2017 in order to update the existing definitions, articles and Schedule 2

The Council has recently started the process of issuing paperless parking permits and paperless visitor permits via its website. For the avoidance of doubt it is necessary to update the 2017 consolidation order to include definitions and articles relating to paperless permits. The new system also requires that each individual eligible address within a permit parking zone is defined, the existing document uses general terms such as “all properties” or “Odds” and “Evens” followed by a range of numbers.

Having considered the duty imposed by Section 122 Road Traffic Regulation Act 1984, it appears to Welwyn Hatfield Borough Council that it is necessary and expedient to make the Order for the following reasons;

- Providing adequate and suitable parking places for the purpose of relieving or preventing congestion of traffic

The proposal has been subject to consultation with local and county councilors representing the area and Hertfordshire County Council. The local Police, Ambulance, Fire and Rescue Services, local residents and businesses have also been consulted.
