THE BOROUGH OF WELWYN HATFIELD (VARIOUS ROADS, HANDSIDE, WELWYN GARDEN CITY) (PROHIBITION OF STOPPING AND WAITING ON VERGE OR FOOTWAY) ORDER 2017

Dear ,

The above proposal due to be heard before a meeting of the Cabinet Planning and Parking Panel on 4th October 2018 was deferred in order to convene an open meeting with residents. Following a forum with residents on 24th October 2018, the matter was adjourned for further investigation.

A meeting was held today with all three Ward Councillors and County Councillor for this area present and officers from both Welwyn Hatfield Council (WHBC) and Hertfordshire County Council (HCC). On the agenda was the objections received from residents relating to Parkway Close. At the meeting on the 24th October, WHBC had recognised that Parkway Close was a special case and the existing corner vehicle crossovers would not form part of the verge protection order, but would be included within the resident parking permit scheme (as it is currently interpreted). Any footways which have been modified will be returned to their original state, and will form part of the verge protection order. In compensation however, four parking bays will be constructed (at no cost to the residents) adjacent to the footways. Resident permit parking permits will be required to park on these new parking bays. Both of these areas will form part of Zone A03. The areas will need to be looked at by engineering colleague to ensure that how the parking areas are constructed are sympathetic to the area.

This letter is to inform residents of Parkway Close who have previously submitted formal objections to the above proposal that these will now be considered by the Council's Cabinet Planning and Parking Panel (CPPP) on **Thursday, 10th January 2019**. In light of this change to the proposals, should you now wish to withdraw your formal objection then please notify the Council. The meeting will be held at 7.30pm in the Council Chamber on the ground floor of the Council Offices, The Campus, Welwyn Garden City, AL8 6AE.

If you would like to see a copy of the report which also includes your objection, this can be viewed seven days before the meeting on the Council's website;

<http://democracy.welhat.gov.uk/mqCommitteeDetails.aspx?ID=266>

If CPPP recommend for the above proposals to be implemented, this will be considered at the next Cabinet meeting on Tuesday 5th February 2019 in the Council Chambers (same address as above). You are not required to attend these meetings. However if you would like to attend or submit further questions, please contact Mr Graham Seal of Committee Services for the correct protocol. Tel 01707 357444.

You will be notified by letter of any decision reached following this meeting.

All previous correspondence regarding Handside parking consultations can be found on the Parking Consultation web page located in the Parking Services section of the Council's website.
