Welwyn Hatfield Draft Local Plan - Consultation on sites promoted through the Call for Sites 2019

1 Introduction

The Welwyn Hatfield Local Plan

1.1 Welwyn Hatfield Borough Council has a duty to prepare a Local Plan. This sets out the long-term planning framework for the borough, identifying how much and what type of development is needed, where it should or should be delivered, such as primary and secondary schools. Once adopted, the Local Plan will shape the future of the borough for at least 15 years ahead.

1.2 In 2016, the council published its Draft Local Plan. This was prepared following consultation at various stages with a range of statutory bodies, other organisations such as infrastructure providers, developers, town and parish businesses.

1.3 The Draft Local Plan was submitted to the Secretary of State for examination in May 2017. An independent planning inspector, Melvyn Middleton BA(Econ), DipMgmt, MRTPI, was appointed to consider the soundness of the plan and a number of hearing sessions have already been held. If you would like to find out more about these hearing sessions, please refer to our website ⁽¹⁾: [Local Plan Examination Hearing Sessions](#)
