NEW RESIDENT PERMIT PARKING ZONES – B13 & B14

This letter is to correct an error that appeared in the standard FAQ's attached to our letter of 13th May 2019 in which the operating times of the permit scheme was shown to be Monday to Friday, 9am to 5pm. The FAQ's had been amended in a previous letter referring to a different permit scheme and not removed from the original thereafter.

The operating times for both Zone B13 and B14 are **Monday to Saturday, 8am to 6pm.**

Details of the sealed traffic regulation orders together with plan drawings can now be viewed on our website on the following link:

Please refer to the public notice overleaf, reproduced in part, from that advertised in the Welwyn Hatfield Times on 15th May 2019. The Notice sets out which roads are applicable to each zone. Works have now commenced on the installation of signage pertaining to the resident permit parking zones and verge protection order. There may be a short delay in the completion of yellow line road markings as the County Council are midway through a resurfacing programme in the area.

Parking Improvement Schemes – Construction on the site in Worcester Road is nearing completion. Works have now commenced on the site in Stockbreach Road and due to commence in Stockbreach Close week commencing 27th May 2019. Letters to residents with all the relevant information are sent out by our contractors Ringway prior to construction.
