Hi

You probably get a load of moaning, groaning, negative comments through these communications, but I thought I'd just let you know that the polling stations I have always used have been excellent. Always staffed by pleasant, helpful people. Always clean and tidy, and having good access. And always very nearby.

I am in The Wade (AL7 4LG) and have, over the past few years, gone to vote at the little community centre place which got redeveloped into housing some years ago, then at the boxing club, and more recently, in King George V recreation grounds building.

All fine facilities.

Thanks
