The Occupier

Dear Sir/Madam,

WAITING RESTRICTION PROPOSALS – BIRDCROFT ROAD, WGC

The recent relocation of the Garden City Practice Surgery from Guessens Road to the Health Clinic in Birdcroft Road has resulted in additional parking pressure on surrounding roads. To assist in this, Parking Services now intend to amend the existing waiting restrictions in Birdcroft Road by proposing the following:

The insertion of two shared use parking bays which will operate in the same manner as those already in use in Parkway (Zone A04). Visitors to these bays can park for a maximum of 2 hrs, no return within 2 hrs. Resident permit holders (A09) can park with no restriction. This will allow patients to park in closer proximity to the Surgery Practice. It is also proposed to insert additional double yellow lines in this area to prevent any likelihood of obstructive or double parking.

The above proposals do not encroach upon the residential area in Birdcroft Road and we do not anticipate any parking displacement as a result of this action. This letter is being sent to residents in Birdcroft Road and adjoining properties affected by these proposals; inviting their comment. A plan drawing is attached overleaf.

Work will now progress on the formulation of the necessary traffic regulation prior to its advertisement. This will signify the commencement of the statutory consultation during which period there will be an opportunity to enter any formal objections.
