

Dear Resident/Occupier,

The Council is writing to residents in anticipation of Hertfordshire County Council adopting the roads in the Salisbury Village area. A plan of the area this covers is enclosed.

Currently the roads which have restrictions such as resident parking permits or double yellow lines are managed by the developers through a private contractor. Once the roads are adopted this arrangement will cease, this means the current restrictions will not be enforceable.

Therefore, Welwyn Hatfield Council are taking this opportunity to consult residents and other affected parties, to understand what restrictions they would like to see in their streets and the days and times for these restrictions to operate. Any restrictions would apply to the main carriageway and will not extend to any of the private parking areas.

The council will be looking introduce double yellow lines at most junctions, to aid visibility for all road users and pedestrians as well as a verge protection order, which will cover any verges, footway and other green areas to prevent vehicles from parking and causing damage and/or obstruction.

We would like to invite interested parties to attend a drop-in session at Howe Dell Hall between 12-5pm on 19<sup>th</sup> February 2020. This is an opportunity for residents and others to let us know the challenges you have, and for us to let you know of possible solutions.

Whilst we may not be able to accommodate everyone's requests the council will be looking at addressing, where possible, any of the concerns you have. Members of the Parking Services team will be present to answer questions, take views on board and explain what options are available to the area and residents within.

This is not the last opportunity to air your concerns or ideas. After this session a survey will be posted out to properties within the village. This session is aimed at ensuring there is ample chance for residents to engage with the team to ensure that Salisbury Village receives the best solution to any current or potential issues.

A FAQ (frequently asked questions) page has been created on our website. This can be found by searching "parking FAQ". This should provide an idea of what could be introduced within Salisbury Village.

If you are not able to make the meeting on the 19<sup>th</sup> February and would like to discuss the enclosed information, please call the council on 01707 35700 and leave a message and someone from Parking Services will return your call.

The full address of Howe Dell Hall is:

**Howe Dell Community Hall  
The Runway  
Hatfield  
AL10 9AH**

Kind regards,

**Parking Services**
