NOTICE OF INTENTION

THE BOROUGH OF WELWYN HATFIELD (VARIOUS ROADS, HANDSIDE, WELWYN GARDEN CITY) (RESTRICTION OF WAITING, PARKING PLACES AND PERMIT PARKING ZONES) ORDER 2021

Dear Resident,

Our results letter of 2 November 2020 gave the findings of the most recent parking survey (Handside 4). In the 'Next Steps' section, the council stated any remaining individual requests would be investigated and final design proposals would be published prior to advertisement. This process is now complete. **Handside 4 Area D** can be summarised below:

**Resident permit parking** – Amethyst Walk, (Parts of) Handside Lane, (Parts of) Lemsford Lane, Newfields, and Sefton Court; Zone A13, Monday to Saturday, 8am-6pm.

**No change** – The majority response from Attimore Close, Attimore Road, Broadfield Place, Melbourne Court and The Old Drive remains at ‘No change’ to their current restrictions (where applicable).

**Junction Protection** – A number of requests were received to either alter or amend the proposed double yellow line junction protection. Wherever possible, these requests have been complied with.

**Other** – Handside 3 Monitoring Review – It is normal practice following the implementation of new restrictions over a six-month period to monitor requests for amendments etc. Requests have been received from residents in both Stanborough Green and Springfields for two off-road parking areas to be included in parking zone A13. A similar request has been received from residents in Springfield House (Marsden Green) for the off-road parking area by the main entrance also to be included in parking zone A13.
